**RESIDENT SELECTION PLAN
AFFORDABLE AND MARKET RENTAL HOUSING
PARKWAY 43 APARTMENTS**

INTRODUCTION: The procedures used for selection of residents shall be implemented in compliance with the applicable local, state and federal statutes and regulations applicable to the development.

NON-DISCRIMINATION: The management agent shall comply with all federal, state and local fair housing and civil rights laws and with all equal opportunity requirements as required by law, including without limitation HUD administrative procedures. Federal laws forbid discrimination based on race, color, creed, religion, sex, age, disability, familial status, or national origin. Discrimination against a particular social or economic class is also prohibited (for example: welfare recipients; single parent households, etc.) These requirements apply to all aspects of tenant relations including without limitation: accepting and processing applications, selecting residents from among eligible Applicants on the waiting list, assigning units, certifying and re-certifying eligibility for assistance, granting accommodation and terminating tenancies.

ELIGIBILITY RULES:

General Rules:

1. Household must meet eligibility criteria for the specific apartment community:
 - a. Family Apartment Communities do not restrict occupancy to a certain population.
 - b. Senior Apartment Communities restrict occupancy for the majority of units to households with at least one person 55 years of age or older;
2. Each household member must provide consents for verification of all sources of income or other information relative to occupancy in the community.
3. The household must evidence ability to meet the financial responsibilities of residing in the apartment community including payment of rent and utilities.

Rules applicable to apartments federally assisted with Housing Credits or a combination of Housing Credits and federal HOME funding:

1. The household's income may not exceed applicable Income Limits designated for affordable units. The limits which apply vary by county and income target for specific apartments.
 - a. Management will require verification of family composition when it is necessary to do so in order to determine income eligibility.
2. Restrictions apply to households in which all occupants are full-time students as defined herein.
3. Applicants with a Section 8 Tenant Based Assistance Voucher or a comparable HOME tenant-based rental assistance document will not be excluded from consideration solely on the basis of their status as a hold of such a certificate, voucher or document.

Rules applicable to apartments federally assisted with only federal HOME funding:

1. The household's income may not exceed applicable Income Limits designated for affordable units. The limits which apply vary by county and income target for specific apartments.
2. Each member of the household who is 6 years or older must provide a valid social security card (or evidence of Social Security Number acceptable to management) or evidence application for the card if social security number has not been assigned.

Targeted Population and Affirmative Fair Housing Marketing: In accordance with our Affirmative Fair Housing Marketing Plan, we will observe any targeted population goals outlined in that plan. Marketing and outreach efforts will be conducted as specified to attract eligible applicants from these populations. All applicants, regardless of their background, will be screened using the same criteria and standards as detailed in this Tenant Selection Plan.

APPLICATION REQUIREMENTS: Anyone who wishes to secure housing must fully complete the application form provided by management. The information provided must contain enough information for management to make an initial determination of the income eligibility of the household; the size of unit desired or needed and sufficient information to screen Applicant's prior landlord history. Applicants must consent to management's requirement to secure a credit and criminal background history and must provide sufficient information to enable management to secure such reports. Incomplete applications will not be processed.

CHANGES IN INCOME OR FAMILY COMPOSITION FOR WAITING LIST APPLICANTS: If an Applicant's income changes to an amount which is no longer eligible under the limitations of the assistance program by the time the application reaches the top of the waiting list, written notice will be given advising the Applicant that: (1) they are not presently eligible; (2) the Applicant could become eligible if the household income decreases, the number of household members changes, or the Income Limit changes, and (3) asks whether or not the Applicant wishes to remain on the waiting list.

If an Applicant's Family composition changes resulting in a need for a different apartment size, management will, upon notification by Applicant, place the Family on the appropriate waiting list, maintaining their current waiting list status.

OCCUPANCY STANDARDS: Occupancy standards have been established to ensure that units are not overcrowded or underutilized. The number of occupants in a unit must be in accordance with the occupancy standards as set forth by The Housing Company based upon local law and Agency regulations. These occupancy standards are subject to change during the lease term if changes in laws, ordinances, or regulations much such changes necessary. The minimum occupancy limit will correspond to the number of bedrooms. The maximum occupancy limit will depend on local law and regulations, and the square footage of usable sleeping areas as defined by local law and suggested Agency guidelines. Notwithstanding the above, The Housing Company shall have the right to make reasonable accommodations for individuals with disabilities and may adjust occupancy limits to further the goal of providing reasonable accommodations. Minimum and maximum limits are as follows:

UNIT SIZE	MINIMUM	MAXIMUM
1	1	3
2	2	5
3	3	7
4	4	9

Generally, the presumptive standard is two (2) persons per bedroom. Household composition will be considered when applying this general rule.

DETERMINING UNIT SIZE AT MOVE-IN FOR FEDERALLY ASSISTED UNITS: The management agent must balance the need to avoid overcrowding with the need to make the best use of available space and to avoid unnecessary subsidy in federally assisted units. To determine how many bedrooms a Family may have, the management agent shall count:

1. all full-time members of the household;
2. children who are away at school but live with the Family during school recesses;
3. children who are subject to a joint custody agreement but live in the unit at least 50% of the time;
4. an unborn child or children who are in the process of being adopted or whose custody is being obtained by an adult;
5. foster children or children who are temporarily absent due to placement in a foster home;
6. live-in attendants; and
7. foster adults.

The management agent shall not provide bedroom space for persons who are not members of the household, such as adult children on active military duty, permanently institutionalized Family members or visitors.

OVERCROWDED OR UNDER-UTILIZED UNITS IN FEDERALLY ASSISTED UNITS: Units, which are smaller or larger than needed by the Applicant, may be assigned if doing so will not cause serious overcrowding. The action may not conflict with local codes. Larger units than indicated by the number of household members may only be issued if no units of appropriate size are available. In such cases, the Family must agree to move to the correct sized unit, at its own expense, when one becomes available. After move-in, if a unit becomes overcrowded or under-used because of changes in household composition, the management agent will require the Family to move to an appropriately sized unit when one becomes available. The decision regarding such transfers will be made subject to income eligibility rules and other applicable requirements of governing regulations. In such instances, transfers will take priority over any preference or chronologically placed Applicants on the waiting list.

OVERCROWDED OR UNDER-UTILIZED UNITS IN MARKET-RATE UNITS: Management will use the following criteria to determine over-crowded utilization for market rate units. In determining overcrowded status, management will count:

1. all full-time members of the household;
2. children who are away at school but live with the Family during school recesses;
3. children who are subject to a joint custody agreement but live in the unit at least 50% of the time; an unborn child or children who are in the process of being adopted or whose custody is being obtained by an adult;
4. foster children or children who are temporarily absent due to placement in a foster home;
5. live-in attendants; and
6. foster adults.

Under-utilization is not a consideration in a market rate apartment.

Preferences: Preferences for specific housing programs are available at some of our sites. Management will observe the preferences. The number of preferences per household and then the date and time the application was received, will determine the location of the waiting list. To find out if you qualify for any preferences, please contact the resident manager for more information. **Preference will be given for a minimum of 60% of the units to persons who are on Public Authority Waiting Lists. The following preferences apply to this property's resident selection criteria:**

- a.** Persons with HUD Veterans Affairs Supportive Housing ("VASH") vouchers
- b.** Households that contain one or more members with a handicap as defined in the Fair Housing Act.

Accommodation for Existing Residents: Requests for reasonable accommodation from existing residents requiring unit transfers will take priority over all waiting list Applicants. Accommodation results when a third-party-verified disability requires a change or repairs which make it easier for the existing resident to reside in the community. Reasonable costs associated with unit transfers or repairs will be covered by management, unless doing so will cause an undue financial and administrative burden.

Units Specifically Designed for Disabled or Handicapped Persons: When attempting to fill a unit that has features designed to meet the needs of disabled persons, management will grant a preference to households with Disabled members (who otherwise qualify) and need the accessible features of the unit. For example, units designed for accessibility to individuals with mobility, hearing or vision impairments, will be rented to households that require the features provided in those units. This preference will be granted upon proper notification by Applicant and verification of need by management.

Preference for Applicant's Receiving Rental Assistance or who are on Housing Authority Waiting Lists for Rental Assistance: Applicants who provide evidence that they are recipients of rental assistance or a statement from a public housing authority indicating that they are on a waiting list for rental assistance will be given priority on the waiting list over applicants who do not receive rental assistance or who are not on a housing authority waiting list. This preference will be given for 100% of the total residential units and applied first to applicants who have received rental assistance and secondly to applicants who are on the waiting list.

Transfers for Existing Tenants: Regardless of the Rental Assistance Preference, no waiting list preference shall be granted to households transferring between units in a specific apartment community or between apartment communities located within the same market area which are owned or managed by The Housing Company. Households seeking such transfers shall receive only chronological status on the waiting list.

PROCESSING STEPS: The development shall be rented and occupancy maintained on a first-come, first-served basis with preferences taken into consideration. All persons wishing to be admitted to the development or placed on the waiting list must complete an application, supply all documents required and pay an application fee. Prospective tenants submitting incomplete applications will not be considered for occupancy. The initial application shall be timed and dated when received, and the resident manager shall maintain at the rental office a chronological list of all Applicants (categorized on a bedroom size and, when applicable, income target requirement). Applicants may be included on one or more waiting list, depending upon the needs of the Family and management's determination of overcrowding or under-utilization. Preference households and existing residents requiring unit transfers because of accommodation will move ahead of chronological status Applicants. Applicants shall be offered housing (after meeting all selection criteria requirements including the verification process), placed on the waiting list, or declined. Potentially eligible Applicants who have met tenant selection criteria and for whom the right size and/or income target unit is not available will be placed on the waiting list and contacted when an appropriate unit becomes available. The Applicant must contact the development's resident manager every 90 days to remain on the waiting list. Applicants who fail to provide acceptable landlord references, credit history or who have a criminal background will be notified that they have been removed from the waiting list.

When an appropriate unit is available, the waiting list shall be reviewed to identify the Applicant who meets preference criteria or whose name is chronologically at the top of the list. The resident manager shall interview the Applicant; confirm and update all information provided on the application; update credit reports older than one year; obtain current information regarding income and Family composition as applicable and necessary to certify eligibility and determine resident's rent payment. The Applicant shall be informed that a final decision on eligibility cannot be made until all verifications are complete and current income has been verified.

Applicants, whose position on the waiting list enables application processing, will receive only two consecutive notices of housing availability. If the Applicant is unable or decides not to complete the application process, the Applicant shall be removed from the waiting list upon receiving the second notice and must reapply for eligibility. The waiting list shall be updated every three months and may be closed for one or more-unit sizes when the average wait for admission is more than a year.

Applicants for apartments funded solely with federal HOME funding will be required to supply a Social Security number and verification of the same for each Family member, age six years or older.

1. Demonstrated ability to meet financial obligations and to pay rent on time.

4. Applicant's credit history.

Applicants, who have had no previous rental or homeownership history, must provide references from present and former employers, teachers or clergy. Further, such Applicants must agree to monthly inspections of their apartment to continue until management deems that the Applicant is maintaining the apartment in a clean, safe and sanitary condition.

Unfavorable landlord or professional references may result in removal from the waiting list.

Credit History:

Credit reports will be ordered for each Applicant. The credit report will be reviewed to determine the Applicant's history of meeting financial obligations including payments for rent, utilities, loans, revolving credit cards, and other obligations. Applicant's credit history must be acceptable to management before they will be approved to occupy a unit. The credit report will be reviewed to:

1. confirm current address;
2. confirm credit sources included on the application;
3. confirm current and past employment listed on the application; and
4. to determine whether the Applicant has an acceptable credit history.

Applicants, whose credit histories are unacceptable, will be declined and removed from the waiting list. Applicants may wish to provide an explanation that evidence efforts to correct credit deficiencies through payment plans or other work out solutions. If such explanation is acceptable to management, further screening may be conducted, and written confirmation of payment plans may be required from the creditor(s).

In the event of decline based upon credit, the Applicant has 14 days to provide an explanation and request further consideration. Management will provide a copy of Applicant's credit report upon request. If the Applicant has resided in a state other than Idaho and has a past felony conviction, a report will be required from that state or federal organization. Applicants will be required to certify that they or members of their household are not Registered Sex Offenders. Registered Sex Offenders will not be admitted to the apartment community.

The purpose of these protections is to ensure that applicants and residents are not denied admission, assistance, or evicted from a unit on the basis of their status as a victim of domestic violence, dating violence, sexual assault, or stalking. Applicant may request protection under the Act by completing the Certification of Domestic Violence, Dating Violence or Stalking (HUD form 50066) and Management will verify the certification as allowed by the Act.

- **Prohibited Discrimination:** We will not deny admission to an applicant or terminate a tenant's lease, or a household member's lease, solely on the basis of actual or threatened domestic violence, dating violence, sexual assault, or stalking. We will work with the victim to remove the perpetrator from the unit and the lease, allowing the victim and other household members to remain in the unit, provided they can continue to meet all eligibility requirements.
