Last Updated: 11/19/2025

ResProp Management promotes Equal Housing Opportunity at all of our communities and expects management to treat each prospective applicant that visits our properties with dignity and respect. Furthermore, ResProp selects prospects without regard to race, color, sex, religion, disability, familial status, or national origin. As per Section 504 requirements, ResProp properties make reasonable accommodations (such as allowing applicants to request assistance with the reading of materials) to help applicants read, understand and complete the application. This criterion will be applied uniformly and in a consistent manner with all applicable law, including the Texas and Federal Fair Housing Acts, the Federal Fair Credit Reporting Act, and Texas Department of Housing and Community Affairs (TDHCA) guidelines.

The following Tenant Selection Criteria applies to this community, and it is in compliance with TDHCA rules and regulations. It is published at the leasing office, and a copy will be provided.

Application Process:

Rental applications for this community may be obtained or submitted at the leasing office, or requested via email or fax. All questions and sections on the application must be answered. If questions do not apply, N/A or NONE should be used. Note: An applicant will not be

considered for occupancy until a completed application has been turned in to the leasing office. There is also a wait list at this community.

Wait List and Transfer Policy:

Applicants will be placed on the wait list once the manager has received the completed application, application for the appropriate size unit. A separate wait list will be kept for each income category. When a lower rent restricted unit becomes available, management will contact existing residents listed on the corresponding waitlist(s) first and if none are interested, will contact applicants on the corresponding waitlist(s). Applicants will be placed on the wait list in the order in which they are received.

All existing residents are eligible to be placed on the wait list for a lower rent restricted unit, and will be placed on the wait list at the time of their request. When a lower rent restricted unit becomes available, the existing resident on the corresponding waitlist will be contacted. At that time, a determination will be made regarding the existing resident's eligibility. If the most recent certification of income is within 120 days and indicates income within the guidelines for the lower rent restricted unit, the set aside for the unit will be changed and the applicable rent will be applied. If household income has not been certified within 120 days, a certification of income will be completed to ensure the household qualifies for the lower rent restricted unit.

When an accessible unit becomes available, it will first be offered to a current occupant with disabilities that requires the features of the vacant unit, or if no such occupant, then to an eligible household on the wait list that has a disability and needs the features of the vacant unit.

The wait list will remain open until an announcement stating otherwise is posted at the leasing office. Should the applicant pool exceed the number of applicants that may be housed within a year's time period, management may opt to close the wait list for a specific period of time. The date and time of closure will be stated within the closure notification, and will be posted at the leasing office. Management will also announce the re-opening of the wait list and will post it at the leasing office.

Residents who wish to move to another apartment must request a transfer in writing. The request must be signed by the head/co-head of the household. A transfer fee of (\$500) for the new apartment must be paid at the time the request for transfer is accepted by management in order to hold a new apartment. No transfer fees will be charged for Section 811 households. In order to be approved for a transfer, all balances must be paid in full for the current apartment, and any damages that are noted during inspection prior to transfer are required to

be paid in full. In situations where a transfer is required as a reasonable accommodation, VAWA, or at management's request, no transfer fee will be required.

Residents transferring will receive a statement of deposit activity for their original unit, detailing any charges from damages, cleaning fees, etc., within 30 days of move-out. For HTC developments that are 100 percent low-income, a household may transfer to any unit within the same project, as defined as a multiple-building project on Part II, question 8b of the IRS form 8609 and the 8609 schedule. The Tenant Selection Plan includes procedures for selecting between applicants on the waiting list and current tenants who need:

- A unit transfer because of family size;
- A new unit because of changes in family composition;
- A unit transfer for a medical reason certified by a doctor; or
- A unit transfer based on the need for an accessible unit.

Required Screening and Denied Applications:

ResProp will provide a written notification within seven (7) business days to all persons who completed the application process, but were denied or determined ineligible to participate in the program. This notification will include the specific reason for the denial, and will reference the terms and conditions of this Tenant Selection Criteria on which the denial is based. Rejection letters will also include contact information for any third parties that provided information, and participated in the screening process. If the applicant is denied during the application process, the deposit is fully refundable so long as no information was falsified on the application. Applicants can reapply after 90 days if current circumstances have changed.

The leasing office will keep a log of all denied applicants who completed the application process, and will also maintain a file of all rejected applications. Provided that all of the needed information was gathered during the application process, the log will provide basic household information such as: demographic and rental assistance information, reason for which the application was denied, date the decision was made, and date the notification was mailed or hand delivered to the applicant.

For Section 811/HUD applicants:

- The management/owner will screen for drug-related or criminal activity (including sex offender status) and use the Enterprise Income Verification (EIV) Existing Tenant Search to ensure compliance with HUD requirements.
- Any household containing a member who was evicted in the last three years from federally assisted housing for drug-related criminal activity will be denied.
- Any household member currently engaged in illegal use of a drug, or for whom the Owner has reasonable cause to believe that a member's illegal use or pattern of illegal

use of a drug will interfere with the health, safety, and right to peaceful enjoyment of the property by other residents, will be denied.

- Any household member's behavior, from abuse or pattern of abuse of alcohol, determined to potentially interfere with the health, safety, and right to peaceful enjoyment by other residents, will be denied.
- Any household member subject to a state sex offender lifetime registration requirement will be denied.

- The Head of Household, spouse or co-head, and all other adults (age 18 and older) in each applicant family must sign an Authorization for Release of Information (HUD Form 9887 and 9887/A) prior to being accepted and every year thereafter.
- The unit for which the family is applying must be the only residence.
- Applicants must agree to pay rent required by the Section 811 Program.

Non-Renewal/Termination:

Non-renewal and termination notices will outline the reasons for termination of the lease contract allowed under applicable program rules. If the development is subject to the requirements established by the Violence against Women Act (VAWA), the specifics will be included on the notifications. A person with a disability may request reasonable accommodation in relation to such notice.

Fair Housing and Section 504:

This community is financed by an affordable program administered by the Texas Department of Housing and Community Affairs (TDHCA). We strive to ensure equal opportunity housing for all those who qualify for this program. We established the following procedures to help identify, and eliminate situations that create a barrier for those seeking equal opportunity housing. In accordance with the Fair Housing Act of 1968 and its amendments of 1988, and Section 504 of the Rehabilitation Act of 1973, this community will make reasonable accommodations for individuals with disabilities (current residents and new applicants included). These accommodations include, but are not limited to: alterations in the processes in which we administer policies, procedures, and services to those working, applying or currently living at this property. Furthermore, this property confirms it will make structural modifications to the housing and non-housing areas of this property (common areas, and leasing facilities, etc.) to ensure full access to those persons with limitations due to their handicap or disability.

We will perform such accommodations in situations applicable to the 504 regulations and as per the restrictions of those regulations. Requests for reasonable

accommodations/modifications can be made in writing or by phone to the management office. If medical verification is required, management will provide the necessary forms. Also, management will respond to any reasonable accommodation/modification request within seven (7) business days. For structural modifications, the property will evaluate work to be performed and obtain bids. Ownership approval will be required as needed.

The Development will comply with state and federal fair housing and antidiscrimination laws, including, but not limited to, consideration of reasonable accommodations requested to complete the application process. Chapter 1, Subchapter B of this title provides more detail about reasonable accommodations.

Screening criteria will be applied in a manner consistent with all applicable laws, including the Texas and Federal Fair Housing Acts, the Federal Fair Credit Reporting Act, program guidelines, and the Department's rules.

As per the recent requirements as issued by the Department of Housing and Urban Development, all applications, Tenant Consent and Release documents, Resident Selection Plans, Leases, House Rules, etc., are available in other languages and/or will be translated for those persons who request this accommodation.

Violence Against Women Act (VAWA):

This community follows the guidelines outlined in the VAWA. The Law offers the following protections against eviction or denial of housing based on domestic violence, dating violence or stalking:

- A. In accordance with the Violence Against Women Reauthorization Act of 2013, if the applicant otherwise qualifies for rental assistance or admission, the applicant's status as the victim of domestic violence, dating violence, sexual assault, or stalking does not constitute the basis for rejection of rental application, If the applicant otherwise qualifies for assistance or admission.
- B. Under the "good cause" policy, an incident or incidents of threatened domestic violence, dating violence or stalking will not be construed as violations of the lease contract; and will not constitute grounds for terminating assistance, tenancy or occupancy rights of a victim of abuse.
- C. Criminal activity directly related to domestic violence, dating violence or stalking, engaged in by a member of a tenant's household or any guest or other person under the tenant's control, shall not be cause for termination of assistance, tenancy, or occupancy rights of the victim of the criminal acts.

- D. Assistance may be terminated or a lease “bifurcated” in order to remove an offending household member from the home, whether or not the individual is a signatory to the lease, and lawful tenant. If he/she engages in a criminal act of physical violence against family members or others, he/she stands to be evicted, removed, or have his/her occupancy rights terminated. This action is taken while allowing the victim, who is a tenant or a lawful occupant, to remain in the dwelling.
- E. The provisions protecting victims of domestic violence, dating violence or stalking who are engaged in by a member of the household, may not be construed to limit management staff from honoring various court orders issued to either protect the victim or address the distribution of property in case a family breaks up.
- F. The authority to evict or terminate assistance is not limited with respect to a victim that commits unrelated criminal activity. Furthermore, if management can show an actual and imminent threat to other tenants, management personnel, and other service providers; evicting a victim is an option. Management reserves the right to consistently apply the same rules and requirements to all the residents in our community.
- G. The VAWA protections shall not supersede any provision of federal, state, or local law that provides greater protection for victims of domestic violence, dating violence, or stalking.

ResProp Management will respond to any VAWA requests within five (5) business days.
