Adding Years to Your Life – Through Healthy Choices

SEPTEMBER 17 | 11 A.M. | THE GREAT BARN

Tom Benson, a speaker for Matforce, shares research-backed strategies that could add up to ten years to your health span. Learn practical lifestyle shifts that support long-term wellness — plus his "Dementia Alerts," key habits that may help forestall or reduce dementia risk at any age.

Coats of Kindness

A Mulberry Gives Back Project

As the cooler months approach, share a little warmth with neighbors who need it most. Clean out your closet and give your gently used coats, jackets, hoodies, and sweaters a second life. Bring clean, gently used winter items to The Barn, where they'll be collected to benefit a local organization serving individuals in need across Prescott and Prescott Valley.

Clean out your closet • Share the warmth • Spread a little kindness.

Sundays
